Claim Rejections - 35 USC § 112

1. The following is a quotation of the second paragraph of 35 U.S.C. 112:

The specification shall conclude with one or more claims particularly pointing out and distinctly claiming the subject matter which the applicant regards as his invention.

2. Claims 1-3, 6-13 and 16-20 are rejected under 35 U.S.C. 112, second paragraph, as being indefinite for failing to particularly point out and distinctly claim the subject matter which applicant regards as the invention.

Re claims 1 and 11, the phrase “between isolation structures” lacks antecedent basis. For example, the step(s) for forming the isolation structures is lacking.

Re claims 1 and 11, regarding the phrase “gate structure” the step(s) for forming the gate structure is lacking.

The remaining claims are rejected for depending from the above rejected claim(s).
